

# Lions SEE, Inc.

partner with KidSight USA

[www.lionssee.org](http://www.lionssee.org)

Information on the Data Collection Form is for reporting on LionsSEE website. This is also useful information for reporting at District Level events i.e. Cabinet Meetings.

Directions:

Complete top section on day of screening.

### **For Follow-up section:**

- First date is when results are given to nurse or site administrator.
- Second date is 30 days later, when you call nurse/site administrator to see if referred students have appointments for comprehensive eye exam with eye doctor. If not, does parent need financial assistance from their local Lions Club.
- Third date is about 15 days later to see if any results from eye doctor have been reported to nurse/site administrator.
- Fourth date is about 15 days later if needed to make sure child was seen and results if available.
